Engineering Works & Services

## CORPORATE PROFILE

### CEO's MESSAGE:

HORIZON ENGINEERING Works & Services the name you can trust on. We just not only deliver you work; we give our client a hostile environment to cater fore their needs. Our team believes that CORE Engineering with Professionalism is the key strength for success and that's what we are working for.

The founding Partners are qualified Civil Engineers having experience from well-known firms and represent cumulative professional work experience in different domains of Civil Engineering. The HORIZON ENGINEERING provides a multitude of services to a wide variety of clients from its presence in the Construction Industry.

Our Mission, Vision and Core Values are the basis of our approach to business which in turn is based on our Conscience to deliver multi-professional services with utmost integrity and professionalism.

Our Customers, the main beneficiaries of our expertise and services, will feel the difference in the way we treat them and engage them from the very outset of a particular assignment to understand their needs and to adopt a solution oriented approach without compromising on the integrity and professionalism.

### DIRECTOR'S MESSAGE:

As Director of the company, I have seen us progress from a small contractor to a large reputable construction firm. The reason for this progression lies not only in hard work and perseverance, but our commitment to satisfy our customers and clients in the best way possible. Ethics, professionalism, commitment and quality are the four pillars upon which our company stands.

We have taken on construction projects in all major areas of the industry, including industrial, civil infrastructure, residential housing projects in different cities. Our route to success has been highly dependent on our competent team of professionals and our philosophy of upholding client satisfaction.

Our long term goals include expanding our operations to more areas of Pakistan in order to increase our business opportunities. We believe with committed staff and employment of advanced project management techniques, we have a recipe for sustainable growth and achievement. We are very proud of our employees, whose dedication, talent and loyalty made Horizon Engineering works & services to an important force in Construction market.

### ADDITIONAL SERVICES PROJECT LIST;

HORIZON ENGINEERING has been providing other engineering services rather than construction, as we believe in providing services to our clients on turn key basis. Following are the successful projects with client's detail completed by Horizon Engineering:-

#### CORE CUTTING AND REBAR ANCHORING:-

- 1) Cutting of Cores in RCC slab for installation of Weaving Looms at ORIENT TEXTILES.
- 2) Installation of HILTI anchors at TOWELLERS TEXTILE MILLS.
- 3) Rebar Scanning Services for 3H ARCHITECTS AND DESIGNERS.
- 4) Rebar Scanning Services for Aircraft Bunkers at PAF Base Masroor

#### ARCHITECTURAL AND ALLIED SERVICES:-

- 1) Providing detailed Architectural and Allied Services design of Car Parking Lot for EX-AMERICAN EMABASSY Building for HASHOO GROUP PVT. LTD.

### ADDITIONAL SERVICES

#### STRUCTURAL ANALYSIS:-

HORIZON ENGINEERING does not follow the old contractor's approach as Horizon Engineering is leaded and managed by professional CIVIL ENGINEERS. As a result of which we are more conscious about the structural stability than client . To differentiate our services from old contractor approach, we provide free structural analysis by our professional structural Engineers and engineering judgment team that includes:-

- 1) Structural Analysis
- 2) Steel design for all structural components
- 3) Concrete strength design
- 4) Structural members dimension to control the budget
- 5) Environmental Analysis

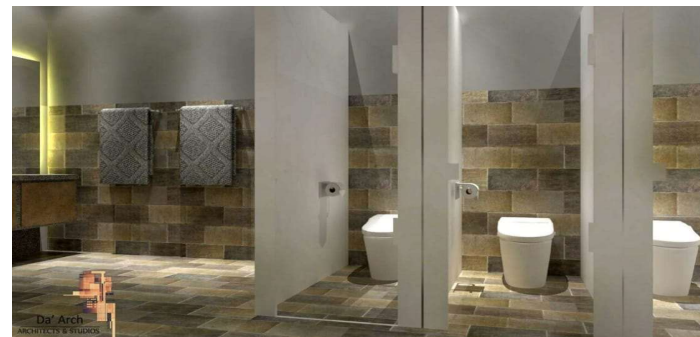

#### ARCHITECTURAL PLANNING :-

Keeping in mind the client's requirements , our team is available for suggesting the best architectural solutions that includes:-

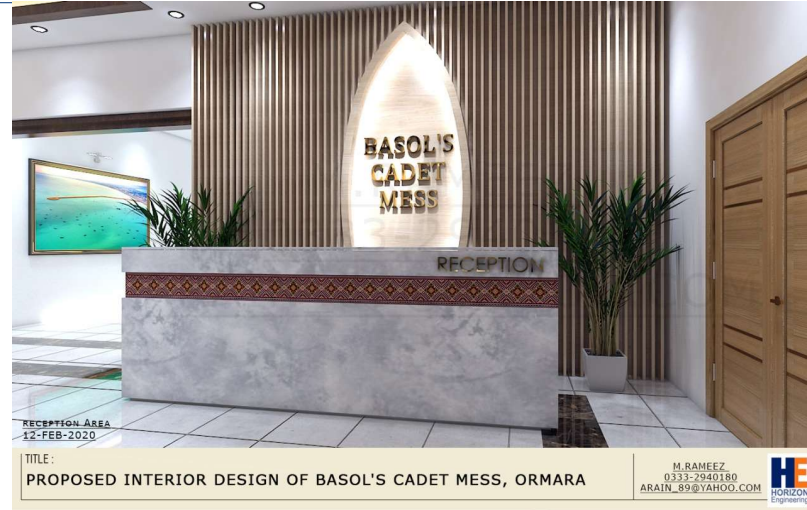

- 1) Design of front elevation
- 2) Color scheme
- 3) Interior Designing
- 4) Ventilation system of structure
- 5) Interior and exterior finishes
